

Wedding Cake Consultation Guide

SCHEDULE YOUR APPOINTMENT...

- Complimentary tastings & consultations are booked Tues.–Fri., 9am-4pm and usually last 30-60 minutes. Saturday appointments are available on a limited basis. We restrict the number of weddings we accept per weekend and we do book up quickly, so be sure to reserve your date early! (Six to nine months in advance is recommended for the peak - Spring & Fall - wedding seasons.)
- Please review our list of cake flavors & fillings carefully. If there is anything in particular you'd like to try, we'll do our best to accommodate your requests! Otherwise, we'll put together a variety of the favorites. We typically offer three types of cake and three to four fillings (including our buttercream icing). Keep in mind - our complimentary tasting is designed to be a *sampling* of the quality and deliciousness of our product. Since we're a made-to-order bakery, there may be certain specialty fillings and cakes that are not available at the time of your appointment.
- We have seating for four. You are welcome to bring up to three friends or family members with you to your consultation. (*Plus, it has been our experience that too many cooks can spoil the sweets!*)

COME PREPARED...

- Please bring any pictures you have gathered from magazines or online, as well as any other elements you would like to tie in with your cake design – such as fabric/color swatches, pictures of your dress detail, etc. It is very helpful if you come with an idea of what you want, or, have a good idea of design elements you like, don't like, etc.
- Additional samples and sit-down meetings requested beyond your initial tasting & consultation will be charged accordingly. Sample bags are \$15 and meetings are billed at \$25/hour.

PRICING...

- You will be quoted a price at your consultation, which will be based on the services we've discussed. This information will also be e-mailed to you, in contract form, within a week. A 50% deposit is required to guarantee our services for your date, with the balance due by one week prior to your wedding. We accept check, cash or credit card (MasterCard or Visa). You may place a deposit during your consultation. Otherwise, your quote will be valid for 14 days after your appointment, during which time your date is held for you. If we do not receive your deposit within 14 days, your space will be released to another interested customer.
- Our pricing includes nearly all cake designs. Additional fees may apply for certain design elements (such as handmade sugar flowers) or very labor-intensive designs.
- **Delivery:** Delivery is a \$40 flat fee for Charleston and the immediate surrounding areas. Delivery to Kiawah, Seabrook & Edisto Islands is \$80 and requires a minimum serving size of 150. *Note: We do not deliver outside of Charleston and the immediate surrounding areas!*
- **Stand Rental:** Included with your cake is a simple white glassine-covered cake base – though we also have a variety of silver, wooden, porcelain & glass cake plateaus available, for a \$35 rental fee.
- **Sunday Weddings:** There is a \$100 service charge for Sunday weddings and a required minimum serving size of 100.
- **Small Weddings:** Having an intimate affair? We also offer several options for 2- & 3-tier cakes to serve 50 & under, with a slightly lower pricing structure (\$3-\$3.50/serving). Please contact us for details.
